

You've been **ASBO** 'd

For good works in the community and for making the world a better place

it has been confirmed that is

ALRIGHT, SENSATIONAL, BEAUTIFUL & ORIGINAL!

It is a widely held view that young people are trouble.

Not surprising, given the media's obsession with bad and sensationalist news.

*This is a negative stereotype which we at **ASBO** absolutely reject.*

We are committed to proving that young people the world over are engaged in making their communities good and safe places to live.
